FEBRUARY 2 is SIMARA'S SEED

 Mayor Mazo signing the proclamation, witnessed by Vice Mayor Denny Fetalvero, Principal Ontoy Famorcan, MPDC Danilo Fabiala and the Teaching Staff of Corcuera National High School.

By virtue of Proclamation No. 1 s. 2010, February 2 is Secondary Education Eventful Day (SEED) for Simara and Simaranhons. This historical signing of the proclamation was done by Honorable Mayor Eddie Fondevilla Mazo right in his office during the Golden Founding Anniversary of Corcuera Academy now Corcuera National High School (CORNAHIS), Tuesday February 2, 2010.

 Students and teachers in SEED formation at the school campus

Prior to the signing of the proclamation was the holding of a special flag-raising ceremony in the school campus. The ceremony was made unusual because of the historical SEED formation of students and CORNAHIS teaching staff headed by Principal Melchor Ontoy Famorcan. English and Music Teacher Mrs. Mary Jane Fallaria and Supreme Student President Terence Fabicon led the singing of the Philippine National Anthem and recitation of both Panunumpa sa Watawat ng Pilipinas and the school's Vision and Mission, respectively.

 The CORNAHIS Drum and Glockenspiel Band

The CORNAHIS force then proceeded to the Municipal Hall to witness the signing of the Proclamation. Gracing the parade was the school's Drum and Glockenspiel Band with Jasper Kate Fallurin, the band leader in command.

The event was truly memorable and historical. Thank you for the people behind the conceptualization of SEED.

May the 2nd day of February always remind us to share to our Alma Mater the blessings we have received because of her existence.

CORCUERA ACADEMY'S SEED HAS FULLY GROWN INTO A TREE, WE ARE THE FRUITS. Join us in our celebration April 27-28, 2010 CA/CNHS Golden Founding Anniversary and 4th Grand Alumni Homecoming. See you in Simara, Philippines.
